

Origami Box

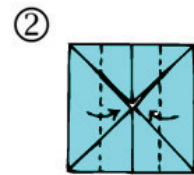

おりがみ はこ

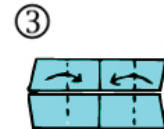

1. Take a square piece of paper and fold the four corners to the center to create square made up of four triangles.

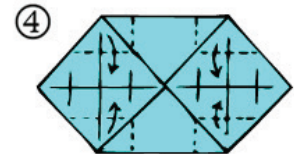

2. Fold the left and right sides of the square to the center.

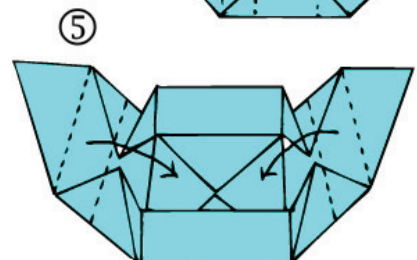

3. Fold the top and bottom sides (the short edges) to the center.

4. Unfold steps 2 and 3, then from the square in step one, unfold two triangles at opposite ends. Fold in the four corners of the square to the lines shown in the illustration (between the two long rectangles at either end).

5. Fold down each side and tuck in the triangle flap to create the walls of the box.

6. Done! Now you can decorate your box and use it to store things.
