

BENJAMIN FRANKLIN: INVENTOR, STATESMAN, AND PATRIOT (BILINGUAL EDITION)

Author: R. Conrad Stein

Translator: James D. Jan

Categories: Non-Fiction, Young Adult, Biography

978-0-88727-311-7

\$12.99

Benjamin Franklin relates the story of the life of one of the most influential and important figures in American history. This book follows Benjamin Franklin's early childhood days as a young boy in Boston who struggled in school, to how he became one of this country's most revered inventors, to how he became one of the Founding Fathers of the United States. The bilingual version of this text is well-suited not only for intermediate and advanced Chinese students that are studying English, but also for English speakers looking to learn Chinese with material regarding a very familiar topic.

ABOUT THE AUTHOR R. Conrad Stein's work has focused on young adult, educational reference books. By highlighting points of interest for children and enthusiastically taking on important historical information, Stein contributes worldly resources that are at once educational and easily digestible.

ABOUT THE TRANSLATOR James D. Jan was a chairman for the military magazine associate, M.N.D., and later a retired general in the Taiwan Army. He immigrated to the United States in 1979 and has since become an American citizen. He immigrated to the United States in 1979 and has since become an American citizen.
