هُنَاكَ زُهُورٌ فِي الصَّحْرَاءِ الدَّافِئَةِ،
وَفَوْقَ الْجَبَلِ الْبَارِدِ.

الرُّزُهُورُ حَوْلَنَا فِي كُلِّ مَكَانٍ.
هُنَاكَ زُهُورٌ فِي الْمَدِينَةِ وَزُهُورٌ
فِي الْرِيفِ.

في هذه الصورة من معبد «إدفو»
نَرَى زهرة اللوتس على اليمين
وزهرة البردي على اليسار.

في مصر القديمة كانت
الزهور مُهمّة للناس.

كلمات وعبارات

made (from) مصنوع (من)	on على	beauty جمال	Asia آسيا
temple معبد	forest/forests غابة/غابات	beautiful جميل	white أبيض/بيضاء
exhibition, show معرض	expensive غال	south جنوب	red أحمر/حمراء

Small Wonders (عَجَابٌ صَغِيرَة) is a new series of graded readers created by professionals specially for learners of Arabic. The series is suitable for all ages and gives students of Arabic the opportunity to read and understand stimulating text at an early stage in the learning process.

The books are written specially to suit the Arabic language and include cultural information and interesting facts, all beautifully illustrated to help provide context and visual stimulation.

The vocabulary and grammar are very carefully controlled to suit the level of the learner, starting with short simple sentences and the most common words in Level 1, and introducing more sophisticated language and content in Level 2 and Level 3.

Companion website

The companion website www.arabicsmallwonders.com contains audio downloads with the complete text of each book in the series, together with extra activities and resources.

Additional notes for parents and teachers

Teachers and parents will find additional resources on the companion website, including:

- full scope and sequence of topics, grammar, and language introduced at each level;
- word bank for each level, showing complete vocabulary sets used in the series;
- additional activities and extension ideas for each book in the series, suitable for classroom and home use.

Check your understanding

- 1 What color of flower is most attractive to insects at night?
- 2 On which continent can you find the largest flower in the world?
- 3 Which two flowers are named in the text as examples of those that produce perfume?
- 4 What's the name of the Egyptian drink made from red (Hibiscus) flowers?
- 5 How many saffron flowers are there in one gram of spice?
- 6 Which flower was the symbol of the South (Upper Egypt) in ancient Egypt, and which was the symbol of the North (Lower Egypt)?

What next?

- 1 Try answering these questions in Arabic about flowers in your environment:

هل هناك زهور حول بيتك؟ ما هي ألوان هذه الزهور؟

هل هناك صور ليلزهور في بيتك؟

هل يستخدم الناس الزهور في الطعام في منطقتك؟

وهل هناك مشروبات مصنوعة من الزهور؟

- 2 Make an illustrated poster about flowers in your environment. Use the Arabic in this book as a model to write sentences about the pictures.
- 3 Look at the additional ideas on www.arabicsmallwonders.com.
