

# MASAOKA SHIKI:

## HIS LIFE AND WORKS

Author: Janine Beichman  
Categories: Poetry, Biography

This is the first critical English biography of a seminal figure in Japanese poetry and literature, featuring original translations of some of Shiki's famous *tanka* and *haiku* poems. While paying homage to Shiki's reputation as the "father of the modern haiku" this biography also explores Shiki's contributions to Japanese prose through diaries and essays to create a comprehensive portrait of one of Japan's most important and influential writers.

\$22.99

"Janine Beichman's meticulous reconstruction of Masaoka Shiki's inner life, as well as her account of the rapidly shifting cultural context in which he lived and wrote, make compelling reading. Her subtle and elegant translations of his verse can stand as finished and evocative English poems in their own right." *J. Thomas Rimer, Chair of East Asian Languages & Literature, University of Pittsburgh*

"Clear and informative, this book should be read by all students of Japanese poetry, whether classical or modern." *James O'Brien, Journal of the Association of Teachers of Japanese*

ABOUT THE AUTHORS Janine Beichman holds a Ph.D. from Columbia University and is a professor in the Department of Japanese Literature at Daito Bunka University in Tokyo. She is the author of several literary biographies and translated poetry collections.

Changing the face of Asian language and cultural education in North America by envisioning, developing, translating, and publishing award-winning language and culture learning materials.
