Fruit Salad

Older Brother, help me make a fruit salad, okay?

Okay. Do we have watermelon, grapes, strawberries, bananas, and apples?

Red watermelon, purple grapes, red strawberries, yellow bananas, and green apples, we have them all.

Bring a big bowl. Slice up all the fruit.

Cut the watermelon into triangles.

Grapes don't need to be cut.

Cut the strawberries into heart shapes.

Cut the bananas into circles.

Cut the apples into crescents.

This fruit salad tastes great!
