I can do these things in Chinese, can you?

I can...

- ❖ ask or respond to questions about where someone is going, and for how long
- ❖ tell someone that I don't want to go to some places
- ❖ express that I have to do something by using "得"
- ❖ express worry and ask for help or suggestions using the expression "怎么办呢?"
- ❖ tell someone not to worry
- ❖ agree with someone's suggestion by using "好吧"
- ❖ recognize the *hanzi* "要" and "去", know what they mean and how to say them
- ❖ use the *hanzi* that I have learned to make notes or flash cards to communicate
