NEW! Chinese Reader Collection

Storytelling Meets Language Learning for Beginners!

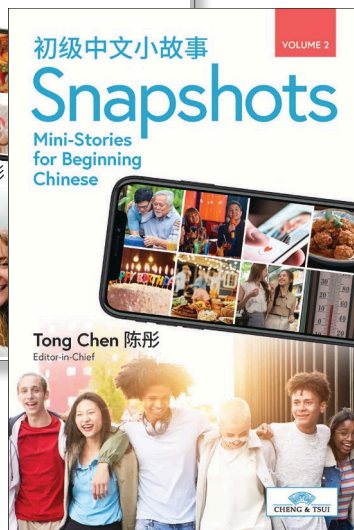

Snapshots features 36 mini stories across two volumes. Each story highlights cross cultural interaction and day to day life in Contemporary China. Designed specifically for students at a novice to intermediate low proficiency level, **Snapshots** is the perfect complement to **Integrated Chinese 1 and 2** or any introductory Chinese program!

Features

- Learn proper etiquette and behavioral expectations through Culture Notes.
- Reinforce/Expand vocab & grammar with reading comprehension & practice activities.
- All text in both simplified & traditional characters.
- Pinyin text in the appendix for additional support.

初级中文小故事

Tong Chen, Editor-in-Chief
